

BUILT AROUND YOUR INDIVIDUAL NEEDS

Residential Care is a great option when yourself or a loved one's care needs cannot be met at home. Our care homes are built around your individual needs, so you can be sure that your time with us is comfortable, enjoyable, and stress-free.

Independent Living & Professional Care

Life as independently as before, with just a little help when you need it

Healthy & Nutritious Meals

Freshly prepared meals based around your unique dietary requirements

Safety

24/7 support from trained staff to support and keep you safe

Specially Designed Activities

For physical and mental wellbeing: art classes, fitness classes, gardening, celebrations for special occasions, local excursions and outings to musicals & theatres

Companionship

Socialise with others in communal areas

Specialist Care

Higher levels of requirements such as dementia care are properly catered for

Private Bedroom

Relax in the comfort of your own personalised space just as you would at home

Medication Management

Staff on hand to ensure correct medication dosages are administered

More Time for the Things You Love

Do the things you enjoy and leave the routine chores to us

Peace of Mind for Loved Ones

Comfort in knowing you are safe and cared for
